Net Asset Value in USD and Net Asset Value per Share in USD are calculated based on the official Bank of Russia exchange rate published at [www.cbr.ru](http://www.cbr.ru) as of the calculation date. Information on the appreciation of the Net Asset Value per Share is determined based on the USD Net Asset Value per Share calculated according to the stated above method as of the start and end dates of the relevant period. The values are for information only and shall not be taken as Funds statutory report data.

\* Conditions of purchase, redemption and exchange of investment shares via [www.tkbip.ru](http://www.tkbip.ru), agents and the Asset Manager are available at the Asset Manager web-site <http://www.tkbip.ru> or in the Fund Rules.

\*\* Cash at settlement and broker accounts, and other accounts receivable.

The value of the Fund's shares may fluctuate daily in response to many factors, including but not limited to activities of individual companies and general market and economic conditions. Past performance is not indicative of future results. Investment returns of a fund are not guaranteed nor insured by the Government of the Russian Federation or any of its agents. Please read carefully the Fund investment rules and other materials before investing. The Fund Rules provide for additional charges and discounts which – once charged – will reduce the investment yield of the investment shares in the investment fund. For additional information about the Fund please contact TKB Investment Partners (JSC) directly. Mailing Address: Russian Federation, 191119, St.-Petersburg, str. Marata 69-71, lit A.
